

A SMART Housing Society Management Solution.

SocietyRun is the product of **Convivial Software**, with Offices in Pune, Mumbai and Phillippines.

SocietyRun is a web-based Housing Society management solution for residential and commercial complexes & Housing Societies. Launched in May 2013, **SocietyRun.com** has placed its firm steps in the society management industry and won hearts of a lot of happy customers.

We are Ace in giving successful and comprehensive services to Co-operative Housing Societies. We are the Experts in Computerized Billing & Accounts Services to Housing Societies. SocietyRun is the first and only company in Housing Society Management industry to have its own development, Support center in Pune.

Our Aim is to Deliver Absolutely reliable services with the only goal that is, "**customers Satisfaction**".

Are your society people connected with each other?

Do your society people gather for events and share their experiences?

How society people will communicate their issues and track them till resolved?

How your society maintain owner/tenant monthly record?

Do your society people actively participate in society meetings?

Do you find Audit process of Society Hectic?

Is your society echo friendly?

Online Management of your complex data (owners, tenants, documents, income, expenses etc.) remotely.

Provide transparency between the operations of the committee and thus enhance owners and residents satisfaction.

Encourage non-committee members to come forward and to be part of managing committee or event management.

Effort reduction in managing complex issues.

Start to End Solution with Audit.

Hosted solution with zero infrastructure setup.
